Mr Lembit Uibo, Estonian Ambassador in France, invites you to participate in the

HIGH-LEVEL ENERGY-RELATED DISCUSSION / RECEPTION

With the exceptional involvement of Mr Rein Vaks, Director of Energy Department of the Ministry of Climate of Estonia

On Tuesday, October 31 from 18:00 to 21:00

At the Estonian Embassy, 17, rue de la Baume, 75008 Paris

Pan-Baltic Law Firm TRINITI, the Estonian Embassy in Paris, Invest Estonia and Trade Estonia will organise a high-level discussion focusing on the future of large-scale energy projects in France and in the Baltic States and covering the following three general areas: hydrogen, nuclear energy and storage of energy.

The event is addressed to market participants from France, Estonia, Latvia and Lithuania as well as international law firms active in the energy sector. There will be two engaging panel discussions with possibility for questions from, and active participation by, the audience.

The Estonian Ambassador also invites all the participants to the following networking reception with food and drinks.

The program for the event will be as follows (subject to change):

18:00-18:10 Introduction by the organisers

18:00-18:05 Introductory remarks by Mr Lembit Uibo, Estonian Ambassador in France

18:05-18:10 Introductory remarks by Ms Mirjam Eerma, Invest Estonia, and Mr Tanel Kalaus, Partner of Law Firm TRINITI

18:10-19:30 Panel discussion

18:10-18:35 Panel *“Where are we going? What is stopping us?”* (Mr Rein Vaks, Ministry of Climate; Mr Thor-Sten Vertmann, European Commission; Mr Arnaud Castaignet, Skeleton Technologies; Mr Kaarli H Eichhorn, Jones Day; Mr Steven Sepp, Estonian Hydrogen Cluster)

18:35-18:45 Q&A session and free discussion

18:45-19:15 Panel *“How to finance large-scale energy projects? Are companies shopping for the best jurisdiction?”* (Mr Rein Vaks, Ministry of Climate; Mr Thor-Sten Vertmann, European Commission; Mr Arnaud Castaignet, Skeleton Technologies; Mr Indrek Kelder, Beamline Accelerator; Prof Dr Alexander J Belohlavek, Law offices Belohlavek)

19:15-19:30 Q&A session and free discussion

19:25-19:30 Closing remarks

19:30-21:00 Networking reception
